

Feel the difference! *It's Sonic Vibration*

OVATION

**Safe & Natural
Whole Body Exercise System**

Specifications TT2590 OVATION

Operating Frequency	3Hz~60Hz
Intensity	0~99
Max. Amplitude	27mm
Max. Allowable Load	113.6kg, 250lbs
Power Source	220V,230V / 50Hz, 60Hz 110V, 120V / 50Hz, 60Hz
Power Consumption	300W, 500W
Sonic Wave Generator	∅245mm × 1
Operating Condition	Temp:0~40°C (32~104°F), Humidity:0~82%
Size & Weight	L 670 × W 905 × H 1395mm / 110kg
Finish	Metallic Powder / Acrylic
Color	Black & Silver Two Tone
Modes	12 Auto Modes, Manual

Price \$7500 USD

FOR HOME USE ONLY

TT2590 OVATION - New Edition from Turbosonic

The optimum solution for Health and Well-being especially designed for Home use

Features TT2590 OVATION

- Ergo-mechanically designed control panel
High resolution blue LED illumination
- Convenient touchscreen
Touch sensitive controls
- Highly sophisticated frequency control
Precise frequency control in 0.1Hz increments from 3 ~ 60 Hz
- 12 pre-programmed automatic modes
Wellness, Anti-aging, Diet, and Training programs : each with 3 levels of intensity
- Automatic power cut device
Power saver feature automatically switches to standby mode when not in use for over 30 minutes
- AGC (Automatic Gain Control) device for audio input
Boosts output signal when connected to a music source such as MP3 player or PC

Turbosonic Therapy System Characteristics

- Patented Sonic Wave Technology
Helps to create a coherent magnetic intracellular resonance
- Precise Vertical Vibration
Natural, safe and free from side effects
- Precise intensity control (levels 0~99)
Used by everyone : weak to athletic - children, adult, elderly, disabled
- Wide frequency range (3~60Hz)
Broad applications
- Less mechanical contact points
Low noise, superior endurance
- Audio terminal (input & output)
Feel and listen to sound with MP3s (sound therapy)

Everything else is "Just a Vibrator"
